CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Priced catalogue of this sale sent for \$1.00 cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. THOMAS L. ELDER.

FOREWORD.

It is my pleasure to present with this catalogue the finest sale I have held in the past year.

The First Day's Sale includes a fine collection of Foreign crowns, collected by the late Ferdinand Kuelme, the father of a member of the present large New York Banking Concern. In this section will also be found an unusually choice and large collection of all kinds of Paper Money. The Foreign Copper Coin Collection is one of the best. Private and United States Gold is listed, choice Half Cents, Military Decorations, and a group of Canadian Coins and Tokens.

The Second Day's Sale is of first importance, and begins with some of the choicest examples of American Private Gold Coins. These coins are owned by Mrs. Paul Kellogg, daughter of the late John Glover Kellogg, the well known Assayer and member of the firm of Kellogg & Company. The coins were collected by Mr. Kellogg, senior, himself. This lot includes a choice octagonal slug dated 1851, with incuse edge, uncirculated; an uncirculated Mormon \$20 gold coin, a piece of great rarity and value, and the finest known example; an Augustus Humbert \$20, the rare "884 Thous" type, in brilliant proof state; the exceedingly rare Moffat & Co. \$10 with eagle and banner on the reverse, in proof state; an Oregon \$5.00 beaver coin in very fine preservation; a Norris, Grigg & Norris \$5, and other pieces. In addition there is another consignment of Rare Private Gold Pattern and Trial pieces of the State of California, Baldwin & Co., Clark, Gruber & Co., etc. The foreign gold includes large pieces of Japan, etc. Added also are several consignments with choice foreign Crowns and Double Crowns, Maunday Money, Rare U. S. Cents, Jackson Tokens (with Low 61, uncirculated), Canadian and Australian Tokens, Five Silver Indian Peace Medals, Military Medals, a Congressional Life-Saving Medal, very Rare U. S. Pattern Coins, U. S. Cents, Ancient Bronze Coins, a Set of Rare Assay Medals in Silver, Paper Money, Rare Numismatic Books, Choice Cut Gems and Jewelry; and last, but not least, a **Brilliant Proof Original United States Quarter Dollar of 1827!**

Each session consists of some 750 lots, all of interest, and this important sale should attract many bidders and a large attendance. The Sale days, Friday and Saturday, October 27th and 28th, were selected to suit the convenience of collectors and to conform with my custom of holding the sales as far as practicable at the end of the week.

A Priced Catalogue of this sale, cash in advance, for \$1.50. It is found this only covers actual cost of the work, which is not easy.

Be sure and read the terms of the sale before bidding, and also the new clause added stating that no claims or returns will be considered unless made **within 30 days of the sale.** I am obliged to do this because several have delayed the matter so that it was impossible for me to get an adjustment from the owners, who had long since been paid for their lots.

The sale starts promptly at 1:30 o'clock P. M.

Order of Sale: Friday: Lots 1 to 738M inclusive.

Saturday: Lots 739 to end of catalogue.
